Smart Tracker Card type Instruction manual

Smart Tracker

Smart Tracker! Press to find the location.
Generates an alarm for disconnection.

Product Characteristics

1. Prevent loss of smart phone and valuables.
 - If the smart phone and Smart Tracker falls apart, an alarm will go off on smart phone to prevent losses of valuables (Wallet, bag, car keys, etc.).
2. If you lose your valuables, the tracker will locate it.
 - You can view the last location of the lost valuables on the map in your smart phone app, Smart Tracker.
3. Finding smart phones.
 - When the smart phone is close to the Smart Tracker, you can find your smart phone by pressing the Smart Tracker button twice, quickly.
4. Notification of close-up belongings.
 - At the airport baggage claim area, the smart phone will beep when it is close to the belongings.

Component Names
